Statement by Global Automakers on House Energy and Commerce Vote on the SELF DRIVE Act

WASHINGTON, DC, JULY 27, 2017 – “Today’s unanimous bipartisan approval of the SELF DRIVE Act in the House Energy and Commerce Committee is a critical step towards saving lives on America’s roadways. We commend the Committee for establishing a clear nationwide pathway to the deployment of these vehicles while putting safety first. We will continue to work with policymakers to help ensure the benefits of automated technology can be realized as soon as possible.”

###

The Association of Global Automakers represents the U.S. operations of international motor vehicle manufacturers, original equipment suppliers, and other automotive-related trade associations. We work with industry leaders, legislators, and regulators to create the kind of public policy that improves vehicle safety, encourages technological innovation, and protects our planet. Our goal is to foster a competitive environment in which more vehicles are designed and built to enhance Americans’ quality of life. For more information, visit www.globalautomakers.org.
