Senate Commerce Committee Approval of Self-Driving Car Bill

Statement by John Bozzella, President and CEO of Global Automakers

WASHINGTON, DC, OCTOBER 4, 2017 – “Today's approval of the AV START Act by the Senate Commerce Committee is another step forward to helping reducing highway fatalities on our nation's roadways. We thank Chairman Thune, Senator Peters, Ranking Member Nelson, and the Committee for their leadership. We will continue to work with Congress on refining the legislation in order to have an effective AV bill reach the President's desk for his signature.”

The Association of Global Automakers represents the U.S. operations of international motor vehicle manufacturers, original equipment suppliers, and other automotive-related trade associations. We work with industry leaders, legislators, and regulators to create the kind of public policy that improves vehicle safety, encourages technological innovation, and protects our planet. Our goal is to foster a competitive environment in which more vehicles are designed and built to enhance Americans' quality of life. For more information, visit www.globalautomakers.org.
